

## Sourcing

If you don't have the time, energy, or resources to find someone to fill a key role, let us provide the candidates for you.

We specialize in finding and qualifying experienced, seasoned professionals who possess senior-level skills.

No contracts, and we offer hourly fees.

**It's that simple!**

## Expert Staffing

Let us take on your unpredictable headcount in these uncertain times.

We do more than answer phones. Our temps have a wide-range of skills ranging from marketing expertise to operations management.

**It's that flexible!**

## Executive Search

Whether you need an interim executive, or you're looking for a field-related expert, let us take that task off your hands.

Flat rates available.

**It's that affordable!**

## Managed Services

Retirement vulnerability and succession planning: assessments and gap analysis

Program development and management

Seamless re-staffing

**It's that forward-thinking!**
